

May 1966

Lakehead Amateur Radio Club

12 L.A.R.C. members turned up at the May meeting of the radio Club held in the Civil Defence Rooms on Waterloo Street.

It was election night.

The following slate of officers for 1966-67 was elected:

President	Doc Errol Tarnow - VE3FSE
Vice-President	Bill Roberts - VE3ARN
Secretary-Treasurer	Ernie Withers - VE3EFO

Directors:	Frank Start - VE3AJ
	Fred Lawrence - VE3EET
	Bill Klemacki - VE3EEW

"High-Q" Magazine	Barrie Walker - VE3EES
-------------------	------------------------

Since the L.A.R.C. found it could put no practical use to a 50 foot tower donated to the Club last spring, it was decided to sell the tower to any Ham for \$37.00, the money required to cover the Club's financial picture in the event certain bills from the Club's annual banquet were suddenly demanded. Frank Start - VE3AJ volunteered to purchase the steel tower. Other Club members offered to help erect the tower on Frank's McIntyre Township property.

Highlight of the meeting was a demonstration of a W9OPO electronic keyer and Vibrokeyer put together by Bill Klemacki - VE3EEW.

Preliminary discussion on Field Day took place. Location this year will be at VE3AJ again.
